

Update

22nd July 2020

Introduction

We hope all members of the CLG and our local communities are safe and well during the current Covid-19 situation.

The majority of CLG members opted for an email update, and the following presentation from Dublin Airport covers the period to July 2020.

Fingal County Council's Planning Applications for the period of 22nd May to 10th July are also provided.

We continue to be available to address any questions you may have, and you may contact the CLG Secretariat on 01-9442467 or alison.pigott@daa.ie.

Response to Queries Circulated by Mr. Raymond Fox

No	Question	daa Response
1.	What procedures are daa taking to over-turn the two planning conditions associated with North Runway, and does daa have to apply for new planning for this?	<p>daa will submit its application to the Planning Authority in August/September 2020 to amend North Runway operating restrictions. Observations can be made to the Planning Authority up to five weeks after submission of application.</p> <p>Information will be shared post application submission, and we will brief the CLG and other parties.</p> <p>The Planning Authority will refer the application to the Competent Authority who will then publish its draft noise determination and undertake a 14-week public consultation during which time members of the public may provide further feedback.</p> <p>The Competent Authority's final noise determination will then issue to the Planning Authorities and will be incorporated into the overall planning decision.</p>

Fingal County Council to address queries circulated by Mr. Raymond Fox

No	Question	FCC response
1.	<p>Over the past few weeks, KN Group have been laying ducting along the perimeter of our land/outside our house (R122), We are very disappointed that there was no consultation with the residents about this happening. Considerable damage has been done to our boundary. Can somebody from Fingal Co Co contact me directly to discuss this matter?</p>	<p>Fingal County Council would like to acknowledge the three questions raised, and have advised they will revert back in due course.</p>
2.	<p>A few avid walkers have brought to my attention that the hedging on the footpath on the St Margaret's Pass (from recycling centre to roundabout - L3132) needs to be cut back. Can this be addressed please?</p>	
3.	<p>When are we going to get our bottle bank back? This point has been raised at previous CLG meetings.</p>	

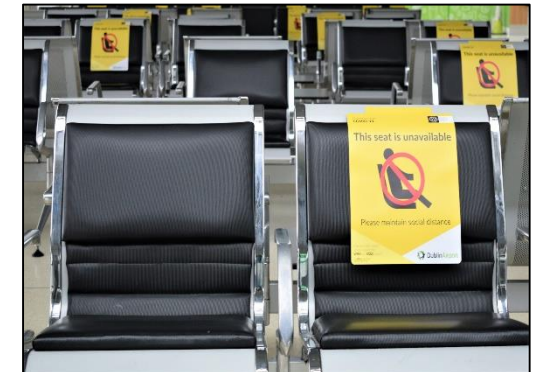

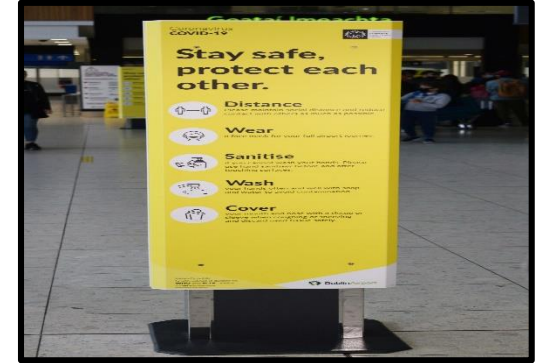

Dublin Airport Update

- Dublin Airport welcomed 5.3m passengers in the first six months of the year, a decrease of 65% when compared to the same period last year. The airport handled 10.2m fewer passengers in the first six months of this year when compared to Jan-June 2019.
- Since Ireland entered lockdown in mid-March, 49 million kilogrammes of cargo has been facilitated by Dublin Airport, including almost 6 million kilogrammes of personal protective equipment (PPE) and medical supplies. The airport has facilitated about 2,160 dedicated cargo flights during that period, including 341 flights bringing PPE/medical supplies to Ireland, 339 of which were from China.
- In line with EASA (European Aviation Safety Agency) guidance, we are strongly recommending that passengers and staff wear face masks while in the terminal buildings.
- In order to maintain social distancing in the terminals only passengers with a boarding card for travel that day are permitted entry to the terminal buildings. If you are meeting an arriving passenger or seeing off someone who is travelling please do not come into the terminal.

Dublin Airport Update

- A range of COVID19 safety measures have been implemented at Dublin Airport and these, together with FAQs and a video of the passenger experience can be viewed on this link:
<https://www.dublinairport.com/covid-19/COVID19-safety-measures>
- Measures include:
 - 960 hand sanitisers
 - 720 protective plexiglass screens
 - 10,500 pieces of COVID-19 related signage
 - Contactless payment
- Independent Panel for the Community Fund is meeting via Zoom next week to assess the last round of applications to the fund. Applicants will be notified soon after.

North Runway Update

- Work continues in relation to daa's forthcoming application to the Competent Authority to amend operating restrictions associated with North Runway.
- North Runway works continue apace and construction is on schedule for completion in 2021, followed by commissioning.
- Temporary traffic management measures are required to facilitate the laying of ducting for essential services at four locations adjacent Dublin Airport. The works will take place at each location between 9.30am and 4.30pm on the following dates:
 - St. Margaret's Bypass Duct Crossing, Monday and Tuesday, 27th and 28th July 2020
 - Toberburr Road Duct Crossing, Wednesday and Thursday, 29th & 30th July 2020
 - Forrest Road Duct Crossing, Monday and Tuesday, 3rd and 4th August 2020
 - Castlemoate Road Duct Crossing Wednesday and Thursday, 5th and 6th August 2020
