# Actions from Previous Meeting and Updates

No	Issue	daa response
1.	LOG requested further clarification on the essential maintenance	AF provided information on essential maintenance works to members by email on July 31
2.	LOG requested an update on the noise reports	Secretariat sent copy of monthly noise reports, February to July, to CLG members on August 31 prior to publication on the website
3.	PS requested noise monitoring results for the last four houses be shared as soon as possible	AF delivered the noise monitoring results to four premises and copy of the data to PS on August 1

# Dublin Airport Update

- In July, Dublin Airport saw just over 3.4 million passengers travel through the airport. That number was 13% higher than the same month in 2022.
- Today, a press event was held in the city centre to launch the Dublin Airport Economic Impact Study. Further information can be found on our website.
- The South Runway is currently withdrawn from service to facilitate essential maintenance works from 11.30pm to 4.30am - four nights works from Monday, September 4 to Thursday, September 7.
- Following the strong response by residents who are eligible for the Residential Noise Insulation Scheme, surveys have now taken place at 29 properties with a further three scheduled this week.
- 15 noise monitoring terminals are now live on Webtrak with new noise monitoring terminals located at Newpark on the R121, St. Margarets NS, Ashbourne, Swords, Malahide, Donabate, Roundwood and Dunboyne.
- Community Fund Round 13 will open on September 18 for a six-week period applications.

**END**
